Custom e-newsletters, e-blasts and social media
An exclusive e-newsletter opportunity to reach hundreds of wound and ostomy HCPs with relevant messaging. Brand a custom e-newsletter with your organization name, logo, and marketing sponsorship. WoundCareAdvisor.com provides content geared to your topic area and valued by the wound care community. Third party marketing opportunities are also available to qualified marketers. Please contact an Account Manager for pricing and additional information.

Sponsored content: e-books, infographics, quizzes, surveys
With a highly engaged audience, offering valuable information is an effective way to develop an audience around specific topics, issues and trends. Connect directly with professionals that are invested in your content, and learn more about what motivates them. Please contact an Account Manager for pricing.

Education webinars
Live web-based educational conferences are the optimal way to connect with busy managers, decision makers and influential professionals who are interested in topics, but don’t have the time and resources to attend in-person events. Our editorial leaders help clients to present their health care topics with trust and authority that comes with our audience. In addition, our platform handles hosting, registration and live streaming of rich media content. Programs are promoted through our various channels, and hosted as an On Demand program for 12 months following the live presentation. Please contact an Account Manager for pricing.
About
Frequency
Quarterly issues are distributed print and digitally to all members of the National Association of Nurse Practitioners in Women’s Health (NPWH). Additional distribution to nurse practitioners is sent in digital format.

Editorial

General Editorial Direction

Women’s Healthcare: A Clinical Journal for NPs is a comprehensive peer-reviewed journal written by thought-leaders in the nurse practitioner community about relevant topics specific to women’s health issues. The journal provides vital clinical data, information, news and insight from authoritative experts that enhances quality patient care as well as providing NPs with a wide variety of information ranging from clinical to policy and best practices.

The journal is presented in a fresh, reader friendly print and digital format. Issues are mailed and deployed quarterly to over 40,000 nurse practitioners. Digital content features videos, click-through data, lead generation, etc.

The August issue is printed for distribution at the annual NPWH Conference

Average Issue Information

| Number of articles/departments per issue: | 8-10 |
| Average length of articles: | 2-6 pages |

There are 4 sections of the journal:

- **NPWH News and Updates** – information from the leading voice for NPs specializing in women’s health issues
- **Assessment and Management** – peer-reviewed, science based information written in a collaborative useful voice
- **Policy & Practice Points** – designed to help NPs optimize their clinical practice and stay current
- **Patient Education** – highlights

Origin of Editorial

| Staff-written: | 25% |
| Solicited:     | 60% |
| Submitted:     | 15% |

Editorial is reviewed by the Managing Editor, Editor-in-Chief, and other subject matter experts.

Rates and Discounts

Rates effective January, 2017. 15% agency discount on total of ad space, color and position charge. Frequency is calculated based on the total number of advertising pages in a 12-month period.
Online Journal Reader Survey Results

In an effort to align our content and products closely with the needs of our readers, NPWomensHealthcare.com conducts reader surveys to gauge the preferences of our audience, and assess the optimal formats for delivering high-quality content. We also track what topics are the most engaging, as well as what issues are of most interest for future coverage.
